

**Virginia Standards of Learning Assessments
Geometry Performance Level Descriptors
Brief**

Performance Level	Descriptor
Pass/Advanced	The student demonstrates exceptional and consistent attainment of the knowledge and skills necessary to model and solve problems using the properties of geometric figures, trigonometric relationships; apply coordinate and transformational geometry; use reasoning skills, including direct/indirect proofs; and solve problems using algebraic skills.
Pass/Proficient	The student demonstrates satisfactory attainment of the knowledge and skills necessary to model and solve problems using the properties of geometric figures, trigonometric relationships; apply coordinate and transformational geometry; use reasoning skills, including direct/indirect proofs; and solve problems using algebraic skills.
Fail	The student demonstrates little if any attainment of the fundamental knowledge and skills necessary to model and solve problems using the properties of geometric figures, trigonometric relationships; apply coordinate and transformational geometry; use reasoning skills, including direct/indirect proofs; and solve problems using algebraic skills.
